Please come and enjoy this presentation on the heroic lives of Emeric and Rosemary Sala by Emeric's niece Ilona Sala Weinstein. These early Canadian Baha'is came from vastly different backgrounds, but after they found the Baha'i Faith, and married in the early 1930s in Montreal, they served the Faith on three continents over forty-five years. This included travel teaching trips to Ottawa where they gave public talks at the Chateau Laurier. Emeric Sala's book about the Baha'i Faith, "The Earth is But One Country" was a well loved introduction to the Faith for many years. A play about the Salas will be performed at the opening of the house of worship in Chile this Fall.
