Hybrid Meeting in Person and on Zoom:

# One Planet, One Habitation

## A Baha'i Perspective on Recasting Humanity's Relationship with the Natural World

"This span of earth is but one homeland and one habitation" – Baha'u'llah

You are warmly invited to a presentation and interactive exploration of the Baha'i International Community's statement on unity and the environment.

This is an opportunity to have a meaningful conversation drawing on spiritual principles about engaging and collaborating to address one of the most pressing issues facing humanity.

Offering hope and a vision of a flourishing global civilization in harmony with the natural world...

Come join us in working together as individuals, communities and institutions to realize this vision of progress.

Light refreshments will be provided.
