## ***Bahá'í Faith: The Basics***

From **November 9, 2023 to January 11, 2024**, Michael Power PhD and Jack McLean (MA History of Religions) will be offering a 10 week online course on the Bahá'í Faith.

The course will be based on the accomplished scholar Dr. Christopher Buck's excellent introduction to the Faith, *Bahá'í Faith: The Basics* (Routledge 2021).

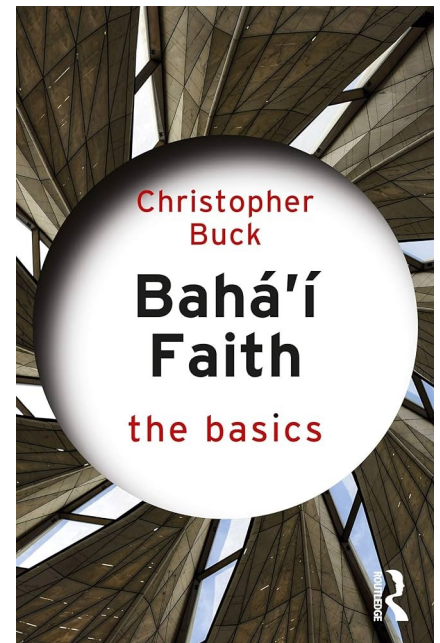

The book contains much up-to-date information about our current outreach programs worldwide, in addition to the usual subjects of Bahá'í history, teachings and administration.

The participants will cover 10 chapters in 10 weeks. The approach will follow a book club style, with free-flow discussion as well as a Q&A.

The book is currently on order at the Bahá'í Centre at 211 MacArthur Rd (613-742-8250), and digital copies at very affordable prices are available for download immediately (**see below**).

Seekers are especially welcome as well as Bahá'ís.

For more information or to enroll, contact Michael Power at [Michael.power@videotron.ca](mailto:Michael.power@videotron.ca)
