**Exodus & Understanding: Reflections on
a Land Bridge of Learning
With Jordan Bighorn**

As our world continues on its turbulent journey towards maturity, many individuals, families, communities and nations are coming to terms with an inescapable awareness of true oneness. While some may fear loss of former identities, others begin to understand that "This Day a door is open wider than both heaven and earth."

About Jordan: Jordan Bighorn was born in Seattle to Jacob and Deloria Bighorn. He is of Lakota heritage from the Fort Peck Assiniboine & Sioux tribes. He is a husband and father, and served a non-profit community development organization in the North End of Winnipeg for over 10 years. He currently works in education with the Province of Manitoba. Jordan is currently a member of the National Spiritual Assembly of the Baha'is of Canada. He cherishes any opportunity to work for the betterment of community through relationships of Truth and paths of Reconciliation.
